

# HIRE-A-YOUTH THIS SUMMER

MORE THAN 60,000 YOUTH, AGES 16-24, LIVE IN LB,  
AND MORE THAN 20% ARE UNEMPLOYED.

LONG TERM JOB SUCCESS IS STRONGLY TIED TO  
EARLY WORK EXPERIENCE—

**PLEASE HELP A YOUNG PERSON THIS SUMMER**

## YOU CAN HELP IN SEVERAL WAYS:

- List your current openings with our Business Services Team who will help to pre-screen and identify qualified young candidates to meet your needs (and consider participating in our Summer Opportunities Fair on June 1!)
- or
- Provide a tax deductible \$500 contribution\* to support youth in gaining their first work experience in our Internship Program
- and/or
- Serve as a work site for a young person's internship this Summer or Fall (we handle necessary Workers' Compensation insurance so that you are not impacted)

**Whether preparing young persons for a paid job at your business, or a shorter-term internship, the Youth Opportunity Center takes great care to prepare young persons referred to you through work readiness training and pre-screening customized to your expectations.**

I am interested in helping a youth through the Hire-A-Youth Program. Please contact me regarding:
